Produktbeschreibung

ForMeds BICAPS LIBIFEM 60 Kapseln

Dietary supplement BICAPS LibiFEM is a product designed specifically for women. Contains natural ingredients that support, among other things, sexual activity and the maintenance of optimal energy levels.

Action

Maca root helps to maintain natural sexual activity. Ginseng supports the maintenance of optimal energy levels and supports sexual function. Ashwagandha contributes to the maintenance of optimal energy.

Recommended intake

Take 1 capsule 1 time per day with a meal.
